BLANC MOELLEUX

MILLÉSIME 2023

---

**91 pts – tasting by James Suckling, 2024**

*“An unusually spicy, barely sweet white for Bordeaux, this has a surprising brightness and vitality for a wine of this kind. This is light years removed from Sauternes’ unctuous richness, but has plenty of grapey fruit. Very clean finish that pulls you back for more. From the fungus-resistant muscaris grape. Sustainable. Drink or hold.”*
